

MORRILL & ASSOCIATES PC

Morrill & Associates Chicago Offices

203 North LaSalle St. 15th Floor
Chicago, IL 60601
Phone (312) 606-8770

From O'Hare Airport:

From airport exit, take I-190 east; it becomes I-90 (also called the Kennedy Expressway) in approximately 1 mile. Continue I-90 east approximately 14 miles.

Exit Ohio Street, a one-way going east. The fourth intersection is LaSalle Street. Turn right (or south) on LaSalle Street. Go through four intersections, then over the Chicago River, then through Wacker Drive. Our offices are on the left (or South) side of the street, between Wacker Drive and Lake Street. There is a public parking lot in our building, which can be accessed from either Lake Street (a one-way going east) or Clark Street (a one-way going south).

From Midway Airport:

From airport exit, take Cicero Avenue north. Go approximately 2 miles. Turn onto I-55 (also called the Stevenson Expressway) going north (it is actually heading northeast, towards the Chicago downtown area, also called the "Loop"). Go approximately 6 miles (get in right lane). Take ramp onto I-90/94 West (actually, it heads north here, running parallel to the Lake Michigan shore line). Take I-90/94 approximately 3 miles.

Exit on Lake Street, a one-way going east. Go about $\frac{3}{4}$ of a mile, over the Chicago River, and then four more blocks. Our building is on the northeast corner of Lake and LaSalle Streets. There is a public parking lot in our building, which can be accessed from either Lake Street (a one-way going east) or Clark Street (a one-way going south).
