

Firm Overview

A law firm providing legal services and government relations at the state and local levels.

The attorneys and professionals at Morrill & Associates, P.C. have **substantive expertise** in such fields as utility regulation, insurance law, health care, land use and zoning, property taxation, pension system administration, transportation, municipal law, professional regulation, government procurement, state agency rulemaking and administrative law.

Our lobbyists have represented **scores of diverse clients** before the Illinois General Assembly, Office of the Governor, and Illinois executive branch agencies.

We have offices in both Chicago and Springfield, Illinois, with our Springfield office just blocks from the state capitol. In Chicago, we are a subtenant of a 3,700-attorney law firm with offices in Chicago and Washington, D.C, among other cities, affording us with **substantial resources and ready access** to attorneys who concentrate in virtually every legal discipline.

We also have experience in lobbying the federal level of government, with particular focus on the Illinois Congressional Delegation, and our team has **long-standing relationships** with many members of the new administration.

We provide counsel and representation on legislative, regulatory, procurement, and legal matters.

Morrill & Associates also has experience in the following areas:

- Agency Rule Making
- Zoning and Property Taxation
- Municipal Law
- Administrative Law
- Pension System Administration
- Insurance Law
